# 1. Introduction about project

PMNDP portal is a comprehensive web based application which supports system to closely monitor real time data transfer from dialysis facilities to central server of MoHFW. The Pradhan Mantri National Dialysis Program is part of the National Health Mission (NHM) for provision of free dialysis services to the poor. The Guidelines for Pradhan Mantri National Dialysis Program envisages provision of dialysis services under NHM in all the districts of the country.

## 2. About User Manual

The User Manual contains all essential information for the user to make full use of the information system. This manual includes a description of the system functions and capabilities, contingencies and alternate modes of operation, and step-by-step procedures for system access and use.

# 3. User of the applications

The application has three modules at present:

National Module

State Module

Facility Module

The PMNDP Portal can be accessed through https://pmndp.mohfw.gov.in

# 4. Step wise Process

# 4.1 Login Page

Step 1; Enter URL as

https://pmndp.mohfw.gov.in/frontend/login or click on the login button on the Home Page

If the Patient already have ABHA id so he/she can verify himself. Click on verify Health ID

# a) Choose verification method:

a.1) OTP b.1) Biometric

#### a.1) OTP

- Enter ABHA ID/Health ID
- Tick on check box
- Submit

After submit you will be redirect to next page:

Abristry of Hearth & Family Welters downment of Inde	Link Health Id		2
Metatry of Inacits & Parney Westers Control of Inacits	Link Health Id     ABHA ID available?     OTP Verification   Enter OTP sent to the Aadhaar mobile number   OTP     OTP     P     RESEND	OK	

- Enter OTP which will be sent to your registered mobile no.
- Click on OK.

Facility will be redirect to next page:

• Click on Save.

# b.1) Biometric:-

- Click on Yes
- Choose verification method
- Click on Biometric
- Enter Health ID/ABHA ID and submit
- Tick on checkbox and submit

- Click on click here
- Verify your finger and verification successfully then click on continue after verification successful redirect to patient profile page.

#### 4.5.1(b) ABHA ID available: NO

If the Patient do not have the ABHA ID. Facility can register the Patient in center with two methods

- Create ABHA id using Adhaar no.
- Create Patient without using Adhaar no.

#### With Adhaar no.

- a). Choose Aadhaar verification method:
  - a.1) OTP
  - b.1) Biometric
  - c.1) Aadhaar Demographic

#### a.1) OTP

- Enter Adhaar no.
- Tick on the checkbox to confirm.
- Submit
- You will redirect to next page: OTP will be sent to register mobile no of patient.
- Enter OTP

#### 4.8 Dialysis Module

#### 4.8.1 Hemodialysis

In Dialysis Module, All the registered Patient listing show in the Dialysis module with FreshStatus.

Facility can search the Patient by using Name, Mobile number and Dialysis type.

Facility can schedule the Dialysis of Patient, Start the dialysis and complete the Dialysis. Facility can also unbook the dialysis of patient if he doesn't come for dialysis, so that the vacant slot will be available for needy person.

If patient does not come to take dialysis for any reason, facility will have to unbook the slot on the same day.

If facility forgets to unbook the slot, unbook option will be after scheduled date, facility will have to follow process of start and end dialysis but with Failed dialysis status.

Meristay of Health & Family Wellaw Government of Incia	=	■ Pradhan Mantri National Dialysis Programme (PMNDP)
